6th Grade Healthy Balance

Mrs. McFarland

Pilates - learn/practice techniques to relax and handle stress.

7th Grade College & Career Preparation

Mrs. Banks

- Last week: We learned how to use the D.E.C.I.D.E model as a decision making framework. The students applied the framework to a decision making scenario as a whole class, as a table group, and as an individual.
- Homework: D.E.C.I.D.E. Model worksheet due at the beginning of class. Bring your homework and your Chromebooks to class on Tuesday.
- This week: It is time to start planning our “Ideal Job” Presentations. I will go over an example presentation, the grading rubric, and the checklist for what to include. We will have the remainder of the class and the whole next class to work on the presentations. Students will start giving their individual presentations in class on November 12.

8th Grade Nutrition

Nurse West

- Last week - Students had to list all of the basic food groups on a blank USDA My plate handout and provide examples of different foods in each group. We also reviewed the macronutrients.
- This week: We will start our discussion of meal planning, meeting all dietary guidelines and incorporating a budget as well.
