Feb 10 – Feb 14

## NOTE FROM MS. CURL:

Our Valentine's Day party is Friday. If your child would like to pass out valentines, please have a valentine for everyone in the class. We have 21 students. They can put their own name in the "From:" line on their valentines or they can personalize them. If any student wants to give special valentines to a best friend, they should do that outside of the school on their own free time.
