NOTE FROM MS. CURL:

Next week is Catholic Schools Week. Each classroom makes a basket for a local business. Fifth grade will be making a basket for the Fire Department. Please see the signup genius under "Community Basket". I also created a signup genius for our Auction Basket that will be in our school auction. Fifth grade will be painting an Adirondack chair as our classroom project that will be in the school auction. Are there any parents who would like to volunteer to come in to get this activity done? Please let me know. Fifth grade will be hosting mass this Friday.
