- Please make sure to email your Flat Stanley pictures (or vacation pictures) to sullivanm@svsbedford.org. I will be printing those this week and hanging them on our bulletin board!
- Our entire class made their AR goal before break! Great work! New goals begin today and will be sent home this week.
- April 4th is our Kindergarten Screening date. Kindergarten students will not be in session on this day.
- Be on the lookout for field trip forms this week. Remember that any chaperone attending will need to complete the Safe Parish training that can be found on our school website.
- We are in need of glue sticks! If anyone would be willing to donate some to help us make it through the rest of the year, it would be greatly appreciated!
- If you have any uniforms that your child has outgrown, but are in good condition, please consider donating them to our PTG. We will have a uniform sale for the kiddos moving into Kindergarten on their screening date. You can send them in with your child or bring them in to the office!
- As the weather starts to warm up a little, we will spend more time outside. Please make sure to send a warm jacket with your child each day.
