

Kindergarten News

November 18th – November 22nd

What We Are Learning This Week

Religion: Give Thanks with a Grateful Heart

Reading: Meet Your Neighbors

Story: *What Can You Do with a Paleta?*

Vocabulary: cultures, appreciate, proud, tradition, prefer

Letter Sounds: Dd /d/

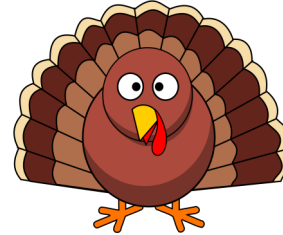

High-Frequency Words: do

Skill: Phoneme Blending

Grammar: Adjectives (using our senses)

Math: Number Order

Writing: Santa Letter

- Amelia Terry made her AR goal! Great work! There are many that are getting very close.
- If your child does not have a book at home, please let me know. I have had a few that put their books away in my bin without checking them in first!
- Students will be working on a letter to Santa this week. A friend of mine plans to come on Thursday morning to pick up our letters and tell the kiddos about the Post Office and being a mail carrier. Students will also have the opportunity to see a mail truck! She then brings a reply letter that students get to enjoy!
- Chores for Change money is due on the 26th. Please make sure your are encouraging your child to help others. Serving grandparents, friends and neighbors would be a great idea!
- Don't forget to send in your Thanksgiving Basket item. If you do not remember what was assigned to your child, please reach out! I have a list and can check for you.
- I will add the sign up links to our weekly email each week. If you have not signed up to help, there are still some slots left!
- Please keep our auction basket theme, "Picnic in the Park" in mind as you shop this holiday season. We ask each family to donate one item in the spring!
