## From the Nurse

As we enter into the cold and flu season please be aware that if you send in cough drops with your child they must be brought down to the Nurse's Office so that they can be dispensed according to directions.

They are considered a medication and the children should not have them in their possession unless there is a note on file in the Nurse's Office from a doctor that states they can have them on their person.

Thank you,  
Nurse West
