6th Grade Healthy Balance

Mrs. McFarland

Pilates - learn/practice techniques to relax and handle stress.

8th Grade College & Career Preparation

Mrs. Banks

Last week: We started our discussion on values and completed a value card sort activity that helped us identify our core values. We also started a discussion about decision making and how we can use a decision making framework and our values together to help make good choices.

This week: Part 2 of Values and Decision Making. We will complete another value identification activity and put our D.E.C.I.D.E model framework into practice.

Homework: Core Values worksheet is due at the beginning of class. If you have any outstanding assignments, turn them in ASAP!

7th Grade Nutrition

Nurse West

Last week: We discussed the Vegetable food group and each student picked out five vegetables that they were going to look up to talk about, they have their own list in their folder.

This week: We will discuss Dairy, Proteins and Grains as we wrap up the food groups.

Homework: Make sure to bring your folder and a pen or pencil with you to class. We will be having a guest speaker from the Purdue Extension office on February 25th.
