Announcements:

Expectations for Virtual Learning:

If we have more virtual learning days due to snow, we will need to meet as a class via Zoom in order for this to count as a school day. We will post a schedule for the day by 8:00am and classes will begin at 9:00am.

Students are expected to attend all classes on their schedule for the day in order to be considered present. They will also need to complete any assignments and return them the day we return to school.
