Questions? You may contact me at thatcherh@svsbedford.org or by phone at 812-279-2540

6th Grade Healthy Balance

Mrs. McFarland

Pilates - learn/practice techniques to relax and handle stress.

8th Grade College & Career Preparation

Mrs. Banks

College & Career Preparation will make the switch from 7th Grade to 8th Grade this week. We'll kick off the class with a review of the syllabus and expectations (it is not art class!) before we launch into learning all about ourselves. We'll discover personality traits, our interests, skills, values, and decision making processes.

We will also spend some time this semester learning how to effectively talk about ourselves. We'll develop elevator pitches and answer the tough question, "Tell me a little about yourself." It's going to be a lot of fun!

7th Grade Nutrition

Nurse West

Welcome to Nutrition class!

In this class we will be studying the basic food groups, macronutrients and how to make good food choices to fuel your body. We will be cooking several times throughout the semester and I will be asking the students to bring ingredients to class.

I look forward to helping the students learn more about good nutrition, how to make good food choices and trying new things to eat.
