## 6th Grade Healthy Balance

Mrs. McFarland

Parents please send in \$6.00 for an exercise mat. Label envelope with McFarland Healthy Balance and your child's name.

## 7th Grade College & Career Preparation

Mrs. Banks

- Last week: We finished our discussion on our workplace interest profiles and connected them with our personality types.
- This week: We will start to identify our individual skill sets and how we build skills in our everyday lives. We will learn the difference between self-management skills, transferable skills, and work-content skills.
- Homework: There is no homework due on Tuesday.

## 8th Grade Nutrition

Nurse West

- Last week: We made a one bowl meal that incorporated several food groups in a healthy, nutrient rich dish.
- This week: We will review their meal journals that they kept from over the weekend and discuss their food choices and which category those choices belonged to gain a better understanding of how our food choices impact our energy levels and our intake of vitamins and minerals.
