Reminders

- Now that we are in the second nine weeks, students need to be wearing a belt with pants/shorts that have belt loops.
- I know our new math series is tricky. In fact, I missed a problem on my child's homework last week…so I get it! But I genuinely believe the new way of doing math will create avid problem solvers and deep thinkers. So thank you for hanging in there and working with your child on their math homework.
- Please send in your child's Thanksgiving Basket donations by Monday the 25th.
